Cllr Newton said that he would obtain three quotes for this service.

The meeting closed at 8.05p.m.

Appendix 1

Member of the Public who spoke at the Full Council meeting on the 3rd July 2018

1. Martin Newman questioned the minutes of the last meeting and said they were not a fair record of what was discussed. He requested that the last minutes be changed.

He tabled a copy of the notice for the Annual Town Gathering.

His main concerns with the last minutes:

- a) He specifically made it clear, as he had outlined, that his principal issue was that the Notice of the Meeting described it as being of Bradford on Avon Town Council which is incorrect.
- b) Cllr Brown stated that he agreed with everything he said.
- c) The Clerk conceded that the Notice was in error by describing the meeting as being of Bradford on Avon Town Council.
- d) The Chairman gave a gracious apology for the error.

He also noted that the Council Chamber was not licensed and had received a copy of the alcohol license for St. Margaret's Hall from the Clerk.

55. Minutes

It was proposed by Cllr Kay and seconded by Cllr Newton and with all in favour it was **RESOLVED** to accept the minutes of the last meeting held on the 6th June 2018.

56.Declarations of interest

- (i) Cllr Newton declared that his wife from Nightingales Together had a grant application and that he would leave the room whilst it was being discussed.
- (ii) Cllrs Roberts and Parker declared a non-pecuniary interest in the grant application at the Mount Pleasant Centre as they were members of the Mount Pleasant Centre Committee.
- (iii)Chairman declared a non-pecuniary interest in the grant application for the Girl Guiding as his daughter was a Rainbow.

57. Chairman's Report

The Chairman wished to thank the organisers of the Bike Festival last weekend attended by over 400 people and said that one person cycled up the hill in 53.45 seconds.

58. Youth Strategy

- (i) It was noted that the SLA had been signed.
- (ii) It was noted that Community Foster Care were currently recruiting for Youth Workers.
- (iii) Cllr Newton reported that he had attended a meeting with CFC, and representatives from the Area Board to start the plan for the youth provision in the town, including recruitment. CFC have also had a positive initial meeting with St. Laurence school.

59. <u>St. Aldhelm's Play Area closed by Wiltshire Council</u>, as the surface needed patching and repair Cllr Newton said that he had written a letter to Alan Richell, Interim Director Housing and Commercial Development at Wiltshire requesting a meeting with him and the relevant Cabinet Member about this play area and other Bradford on Avon Community Assets.

Local residents were advised to get a petition together to present to Wiltshire Council as they own this play area, which members would support.

60. Grants

- (a) (i) Bobcat Rugby David Thompson explained how girls rugby worked and what they needed. He explained that he would like some help with publicising their tournaments and I.T. help too. Cllr Lynch advised Mr Thompson to attend the next Area Board meeting on the 12th September 2018 as Youth would be the theme. As this application had been received late, it did not allow members adequate time to consider this application. After some discussion, it was proposed by Cllr McNeill-Ritchie, seconded by Cllr Newton and with all in favour it was **RESOLVED**: to recommend to Full Council that £2,987.50 be awarded. Town Council to underwrite the whole amount but Bobcat Rugby to seek contributions from the Area Board and Colonel William Llewellen Palmer Educational Charity.
- (ii) Chris Aslett's application concerning the attitude and use/misuse of recreational drugs by children/young people was discussed. Cllr Newton explained that this application was in the initial stages at the moment and will be lodged in the future.
- (iii) Skate Park Idris Jones and Sam Cole and one other gave a presentation on the demise of the skate park in Poulton and how they would like a new one. James Threlfall a TV Presenter and professional skater from Melksham addressed the committee on how his life had changed by having access to this type of facilities. He said that in Melksham they have a new skate park costing £200,000 and they have 70 100 skaters per day. He said that their skate park should last 30 years. He said that Melksham, Devizes, Chippenham and Pewsey had good skate parks and Bradford should have the same. Cllr Newton explained the Part 2 form. After some discussion, it was proposed by Cllr Newton, seconded by Cllr Kay and with all in favour it was **RESOLVED**: To recommend to Full Council to set aside £5,000 for feasibility costs, consultation and planning advice.
- (iv) German Twinning Richard Hathway explained the history of the German Twinning Group and explained that in 2019 their 50th Anniversary Golden Jubilee will be reached of the twinning with Norden. The grant is required to meet the costs of hosting a delegation in July 2019. They are hoping to stimulate a positive international outlook within our community, including groups such as sporting clubs, choirs, schools and other local organisations and associations. After some discussion, it was proposed by Cllr McNeill-Ritchie, seconded by Cllr Kay and with all in favour it was **RESOLVED:** To award £1,200.
- (v) Girl Guiding Zoe Yeomans gave a history of the Grade II listed building in Church Street and said that the trustees had owned it since 1938 and that the damp and disrepair had to be rectified so that the girl guides could carry on and the rooms hired out. Zoe said this will cost £10,000. She had obtained £2,000 from the Area Board which she hoped the Town Council would match fund. They would be applying to Colonel William Llewellen Palmer Educational Charity for £2,000 and had been Funding raising £2000 and the other £2,000 could be raised from subscriptions, which were £5 a term. After some discussion, it was proposed by Cllr Parker, seconded by Cllr Newton and with all in favour it was **RESOLVED**: That £2,000 be awarded to the Girl Guiding.
- (vi) Marsha Mars & Emily Middleton Art and Photography Workshops This item was deferred as no Part 2 had been completed.

- (viii) Mount Pleasant Centre Derek Robins gave a history of the Mount Pleasant Centre and said that he had been Chairman for 2½ years. He said that the building attracts people from 8 months to 88 years. He said that their hire rates had been increased by 10% and that one of their loans would finish in 2021. They would be looking to the Heritage Lottery Fund to replace their roof with Welsh slate. After some discussion, it was proposed by Cllr Lynch, seconded by Cllr McNeill-Ritchie and with all in favour it was **RESOLVED**: That £2,000 be awarded to the Mount Pleasant Centre.
- (ix) Music for the Mind by Alzheimer's Support Nicky Thomas explained how the weekly sessions of about 25 people were delivered and described the benefits it gave to the people who attended the free sessions. She also explained other services which Alzheimer's Support could provide. After some discussion, it was proposed by Cllr Parker, seconded by Cllr Kay and with all in favour it was **RESOLVED**: That £1,000 be awarded to Alzheimer's Support for the Music for the Mind sessions.

Cllr Newton left the room.

(x) Nightingales Together – Liz Newton explained that this had previously been funded by the Area Board. The aim of this proposal was to support and further develop intergenerational services in the town, and so build community cohesion across generations and the community. This will be provided free of charge to families that wish to take it up to the end of 2018. She showed a video of the activities. After some discussion, it was proposed by Cllr McNeill-Ritchie, seconded by Cllr Parker and with all in favour it was **RESOLVED**: That £1,400 be awarded to Nightingales Together.

Cllr Newton re-joined the meeting.

- (xi) Richard Snarr, Nordic Walking Cllr Lynch explained this application and wanted to help Mr Snarr set up his new business. After some discussion, it was proposed by Cllr Lynch, seconded by Cllr Newton and with all in favour it was **RESOLVED:** To allow Nordic Walking on Victory Field from September to November 2018 free of charge. Booking form to be completed so that a note of the charges be made.
- (xii) Rising Sun Rhythm & Blues Festival After some discussion, it was proposed by Cllr Lynch, seconded by Cllr Newton and with all in favour it was **RESOLVED**: That £400 be awarded to the Rising Sun.
- (xiii) Three Horseshoes Fringe Event After some discussion, it was proposed by Cllr Lynch, seconded by Cllr Newton and with all in favour it was **RESOLVED**: That £400 be awarded to the Three Horseshoes.

(b) Council proposal form Part 2

The document to be completed by Town Councillors was considered and it was agreed that some changes should be made to the Introduction paragraph. These changes to be considered at the next Full Council meeting.

61. <u>Bradford on Avon Youth Football Club erecting a sign on the pavilion at Victory Field</u>
Members had no objections to the proposal to erect a sign but the Bradford on Avon Youth Football
Club would have to seek Conservation Area consent from Wiltshire Council before they erect the sign.

The meeting closed at 9.10p.m.

Appendix 1

Members of the Public who spoke at the Community and Recreation Committee on 24th July 2018

St. Aldhelm's residents:

- 1. Paul McCumiskey said he was disappointed that the play area has been closed, as it was good for his children to play there.
- 2. Elsa Parris said she was upset that the Executives at Wiltshire Council were on six figure salaries but that they could not afford under £2,000 to repair the play area at St. Aldhelm's.
- 3. Bren Hodkinson said that he was upset that the St. Aldhelm's play area had been closed and hoped that the Town Council could make sure it was reopened as soon as possible.

Council proposal form—part two

v1.1 Public Jun 28 2017

Introduction

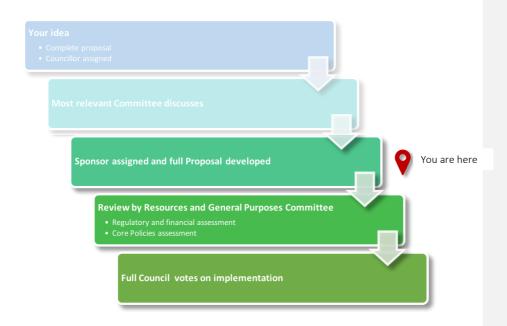

This form is for Councillors to propose a project, policy or other measure to Bradford on Avon Town Council, or who are sponsoring a proposal from a member of the public or local organisation.

It must be used for any measure that both requires the use of Town Council resources and which is above <u>or below</u> the single proposal spending cap for that committee, or as directed by that committee for any other reason (for example, because it would cause the committee to exceed its delegated budget). If it is above the spending cap then that proposal will go to Full Council.

Please complete this form as fully you can, with support from other councillors as required. The relevant committee and the Resources and General Purposes Committee will use it to assess your proposal.

Land adjoining 267 Trowbridge Road, Bradford-On-Avon (BA15 1UA)

The land is part of an area known as Widbrook Wood, in the parishes of Bradford-on-Avon and Holt in Wiltshire. It is approximately 7.3 ha in area. It includes land to which the public have had access, including the boundaries of that land plus the approx.. 160m gated access lane to the west of publicly accessed woods towards Trowbridge Road, plus permanent private vehicular rights of access over other land in title WT309027 to Trowbridge Road to enable continued maintenance and access of the land in this application. This application excludes parts of title WT309027 not described above including the house, garden and woodland which has not been accessed by the public and is signed on site as private.

The land within this application is shown on the attached map outlined in yellow (approx 7.3 ha). The land currently for sale is outlined in red (approx 11.3 ha). Parish boundaries are shown as white lines: the west of the areas described above are within Bradford-on-Avon; the east of the areas described above are within Holt. Adjacent land that forms the other part of Widbrook Wood and owned by Wiltshire Wildlife Trust is outlined in green. The map features are approximate.

Map attached.

Ownership

Please state all the information you have on:

- (i) the names of current occupants of the land, and
- (ii) the names and current or last known addresses of all those holding a freehold or leasehold estate in the land:

Please include a copy of the land registry entry.

- (i) I do not know if there are any other occupants other than the owners described below.
- (ii) I understand that the land is freehold. The owners are: ALEXANDER JOHN BENJAMIN and JACQUELINE NORAH BENJAMIN of 267 Trowbridge Road, Bradford-On-Avon BA15 1UA

I understand that the owners are not currently living at the above address. The land is currently for sale and the estate agent is:

There are other rights, provisions and charges on the land shown in the attached land registry entry.

Community value

Your reasons for thinking that Wiltshire Council should conclude that the land is of 'community value', having regard to the definition in the Localism Act'

- current primary use of the building/ land or use of the building/ land in the recent past furthers the social well-being or social interests (cultural, recreational, or sporting interests) of the local community
- it is realistic to think that now or in the next

Widbrook Wood was planted in the 1990s and 2000s by two adjacent landowners, Alex Moulton and the Benjamin family. This included opening the land for public access facilitated by maintained pathways, stiles (latterly kissing gates) and signage. This access exists now. Part of the planted woodland was reserved for private use, and this is shown with site notices on gates from the public areas to the private areas.

The current primary use of the land is as woodland with public access.

It is adjacent to land now owned by the Wiltshire Wildlife Trust but all of the features below are inherent to the land subject to this application, and the land in itself provides important community activity which has been used and can, if preserved, continue to be used within the local context.

The land is highly valued by the public. It is used daily by the public and local community for dog walking, walking, photography, running and is used for exploring the five years there could continue to be primary use of the building/land which will further the social well-being or social interests of the local community (whether or not in the same way as before)

landscape, nature and wildlife within. This wildlife includes the woodland trees and flora including pyramidal orchids, white violets, bluebells and fruiting trees. Fauna includes rabbits, badgers, deer and a variety of bird species. It has been used for education – including by the Girl Guides, by a forest school, and in organised guided walks and cycle events. The woodlands form an important part of the landscape of the area, and provide health and social benefits by virtue of enjoyment and exercise through access by the public, but also through the biodiversity and environmental benefits that the land provides. The land provides flood capacity that contributes to the management of flooding downstream.

The Wid Brook runs through this land, in itself of environmental value, but this site is one of the few places where it can be accessed by the public. The planting of these woodlands forms part of the cultural history of the town of Bradford-on-Avon – being undertaken by two notable families of the town - the Moultons being the occupants of the Hall and long-standing owners of industry of the town and the Benjamin family having had a role in the Moulton company and in civic roles in the town. The land is adjacent to other communities of Trowbridge, Staverton and Hilperton, and is within the parish of Holt. The woodlands provide for the social wellbeing and interest of those communities in the same manner as above and provides a place where residents of those communities meet. The woodland is also adjacent to the Kennet and Avon Canal and to the towpath, and thus to dedicated walking and cycling routes to Trowbridge, Bradford on Avon, Hilperton and Staverton, so is easily accessible to visitors and residents of the canal. The woodland forms part of a wider network of valued green spaces, landscape features and access routes.

Included is a map from Strava, that shows the aggregate record of people using the Strava app whilst on the land, which forms evidence of significant public use.

The woodland has an in important role in personal experiences of the local community. Memories of sessions with the Girl Guides, a place reported as important in the recovery of PTSD, and the location for the proposal for engagement of a local couple. People recall specific trees and features such as the culvert of the Wid Brook under the Kennet and Avon Canal, known locally as 'the roman tunnel'. It is important that the land remains open to the public and kept in a similar manner and character to preserve access to such community memories.

The land is currently for sale, and it is not clear that such qualities – including both the public access for health and enjoyment and the trees themselves – will be preserved. It is therefore the intention, that through this application the local community is given the chance to bid for the land to ensure that the community value, social wellbeing and social interests of the community can be maintained. If such a community bid is successful, it is indeed clear that the benefits available up until now can continue to be available as the primary use remains over the next five years and beyond.

We intend to continue to collate information that may assist in the registration after this submission.

Eligibility to nominate

Please provide evidence that you meet the definition of a community nominator as set out in the regulations (i.e. a parish council or voluntary or community body with a local connection).

If an unincorporated group please provide a list of 21 names on the local electoral register.

I, Christopher Hogg, am lead applicant for registration and as an unincorporated group I provide 21 names that are on the local electoral register. I list over 21 names of people to ensure that if there is any error in their electoral registration the terms of this application are met.

Dear Sir/Madam,

Nomination of Widbrook Wood, Trowbridge Road, Bradford on Avon, BA15 1UA to be listed as an Asset of Community Value

The Localism Act 2011 allows Parish Councils and other local community groups to nominate land and properties to be registered as an 'Asset of Community Value'.

Wiltshire Council has received a nomination from The Friends of Widbrook Wood (West) for Widbrook Wood to be listed as an Asset of Community Value. Please see the attached nomination. A building or land in a local authority's area will be listed as an asset of community value if in the opinion of the authority:

- current non-ancillary use of the building/land or use of the building/land in the recent past furthers the social well-being or social interests (cultural, recreational, or sporting interests) of the local community;
- it is realistic to think that now or in the next five years there could continue to be nonancillary use of the building/ land which will further the social well-being or social interests of the local community.

Owners of assets which are listed cannot dispose of them without:

- letting the local authority know that they intend to sell the asset or grant a lease of more than 25 years;
- waiting until the end of a six week 'interim moratorium' period if Wiltshire Council
 does not receive a request from a community interest group to be treated as a
 potential bidder;
- waiting until the end of a six month 'full moratorium' period if Wiltshire Council does
 receive a request from a community interest group to be treated as a potential bidder
 (in the first six weeks).

The owner of the property does not have to sell the asset to the community interest group. There is also a 'protected period' (18 months from the time that the owner notified the local authority of their intention to dispose of the asset) – during this time there can be no further moratoriums on sale and the owner is free to dispose of the property as they see fit. Assets which are listed will be removed from the list after 5 years.

The <u>Community Right to Bid: Non-statutory advice note for local authorities</u> published by government provides detailed information on:

- The bodies that can make nominations (such as local parish councils);
- Land that is exempt from being listed (such as premises which are wholly residential);
- The steps that Wiltshire Council has to take when considering to list land as an asset of community value and upon listing that land (including notifying relevant parties);
- Arrangements for owners to make appeals on a decision to list or award compensation on any losses incurred as a result of being listed (including internal reviews and external tribunals);
- Exemptions to the moratorium being applied when land is put up for sale (including a business being sold as a going concern, certain family transfers, sale to a community interest group and as a result of insolvency).

Wiltshire Council has to make a decision on whether to list the asset on the register of Assets of Community Value within 8 weeks. It will therefore be helpful to have any information you would like to submit on whether you believe the asset meets the definition of community value, or other relevant information, by **22nd August 2018.**

Wiltshire Council will decide whether to list the asset as an Asset of Community Value by **19**th **September 2018** and at that point you will be notified and provided with further information on the appeals procedure which may apply, if relevant.

Yours faithfully

Simon Day

Site selection

Location	+ve	-ve	Comment
St Margaret's Hall corner	Owned by BOATC, water supply, on busy walking route	Space limited	Selected; compromise with wall-mounted unit
St Margaret's by TC entrance	Owned by BOATC, water supply, on busy walking route	Near sewerage manhole cover/access needed all times	Rejected
St Margaret's carpark by toilets	Owned by WC, water supply, accessible	Crowded and dark corner, less 'controllable' by BOATC	Rejected
Westbury Hs Gardens	Owned by BOATC	water supply more difficult, not on busy walking route, not so easy to maintain, higher cost, CA: planning	Possible future project of bigger, 'designer' project
Barton Farm	Owned by BOAPT (or WC), lots of visitors/walkers	More difficult for BOATC to maintain	Possible future project

Site agreed: corner on St Margaret's Hall

BOATC and Tourism Websites/Branding

Brief outline of website proposals

Website redesigns

Following on from Full Council's approval of the website tender document (see attached), tenders have been received from three local developers:

- Varn media (which the company Curveball has recently been amalgamated into) https://varn.co.uk
- Flipside http://www.flipsidestudio.co.uk
- Boson Web https://bosonweb.net

All three have submitted quotes to approach the project in two phases; redesigning the Tourism website as 'Phase 1', for completion within 3 months of work commencing and subsequently the Town Council website as 'Phase 2' for completion in early 2019.

Tourism website

As previously acknowledged, the Tourism website www.bradfordonavon.co.uk is urgently in need of redesign in order to bring the information, responsiveness and design up to date, and to act as a showcase for the Town as a tourist destination. In addition, the site will aim to be the 'go-to' place for information on events, things to do, places to visit and provide accommodation information.

With the Great Western Way (GWW) project going live in November, this site needs to be put into development during August 2018 enabling us to be ready to incorporate this project, which is expected will have a highly beneficial impact on the local footfall and economic health of the Town as a whole.

BOATC website

The development of the TC website www.bradfordonavontowncouncil.gov.uk will form 'phase 2' of the project, having had some remedial works already implemented to make it adequate for purpose and editable in-house. However, there is a lot more to do to bring it up to the standards required, secure, informative and user friendly.

Comparisons of proposals

Communications Manager and Tourism/Events Officer to present recommendations to Councillors in private session

Having received tenders, officers have compared like for like costs, service and scope of the three proposals, and will present their findings/recommendations for discussion and agreement on the winning bid.

This is being held in private session to allow frank discussion on the pros and cons of each proposal.

Branding/Marketing

Communications Manager and Tourism/Events Officer to present branding strategy in private session

As part of ongoing Communications policy development, Officers have been working on development of marketing and branding concepts with a view to implementing further concept development within the website design process. This element will inform marketing and communication strategy for both the TC and Tourism visual identity and will require approval of a budget to proceed.

Council proposal form—part two

v1.1 Public Jun 28 2017

Introduction

This form is for Councillors to propose a project, policy or other measure to Bradford on Avon Town Council, or who are sponsoring a proposal from a member of the public.

It must be used for any measure that both requires the use of Town Council resources and which is above the single proposal spending cap for that committee, or as directed by that committee for any other reason (for example, because it would cause the committee to exceed its delegated budget).

Please complete this form as fully you can, with support from other councillors as required. The relevant committee and the Resource and General Purposes Committee will use it to assess your proposal.

The process

Proposal details

1. Basic details

This data will be used to keep in touch with you as we go through the proposal process, and make sure that we can assess your proposal in the most appropriate way.

Proposer's Name:	Sandra Bartlett
Councillor sponsor (if different):	Dom Newton
Name of Proposal:	HR and H&S outsourcing
Office use Proposal reference: ([Committee code]/###/Year - i.e. B&T/001/2017)	

2. Aims and objectives

To ensure that the Town Council meets its statutory obligations in respect of employment law and health and safety, and as adequate processes to ensure the operational effectiveness of the council while providing for fair a safe treatment of staff and the public.

3. Description of proposal

To procure HR and H&S advice services from a 3rd party provider, to replace those currently provided by SW Councils, which are not deemed to have provided adequate support where required.

The Town Clerk and Leader of the Council have interview, at the Clerk's request, the required 3 companies. Each provided a copy of its service description, which were broadly equivalent and included:

- Review and revision of policies and procedures;
- Ongoing support on policy revision (there was variance here in the levels of automation provided by each);
- Advice lines staffed by qualified staff, with escalation to solicitors and barristers as required;
- Indemnified legal support through tribunal processes;
- Various training, supplied through online platforms;
- Policy communication, absence and holiday management, and performance management (appraisals etc) through proprietary online platforms;
- H&S risk assessment, including an extent of on-site support.

The services will produce as major modernisation in our ability to comply with law, and in doing so protect both the Council and employees.

Costs are detailed in Appendix A, along with more detailed service descriptions.

Once implemented, this service will also reduce the cost of our insurances.

4. Implementation plan

The Town Council will enter into a service contract as soon as possible.

5. Resource requirements

Financial requirements

(add lines as appropriate, and also include any projected savings where appropriate)

Is any part of this proposal likely to require use of invested capital? No

Is any part of this proposal likely to require access to a loan or credit agreement, for example from the Public Works Loan Board? No

Cost proposals from each provider are supplied in Appendix A.

6. Policy assessment

Please describe how the proposal supports any or all of the following policy areas, including direct outcomes from this proposal and consideration of long-term sustainable benefits to the community:

	long-term sustainable benefits to the community:
Good governance and democracy	This will support legal compliance in decision
For example:	making, and, through the H&S aspect, provide
 Improving access to decision-making 	greater assurance for the safety of the public
Involving young people	using our services. It will also reduce the risk to
Improving Town Council processes	the Council from employee relations matters.
Safety and wellbeing	This will improve the safety and well-being of
For example:	staff, through better understanding of our
 Improving pedestrian or cyclist safety 	obligations and reduced stress for those
Improving air quality	involved in employee relations issues. It will also
 Promoting healthy living and wellbeing 	provide for better H&S compliance and the
Tromoting healthy living and wellbeing	protection of members of the public accessing
	our services.
Heritage and culture	N/A
For example:	,
 Protecting places and spaces 	
 Encouraging participation in the arts or 	
sports	
Promoting the heritage of the town	
Environmental sustainability	N/A
For example:	
Reducing environmental impacts	
 Promoting green technologies 	
Waste reduction	
 Promoting 'recycle/re-use' schemes 	
Managed development	N/A
For example:	
 Using or protecting green spaces within the 	
town and surrounding area	
Enhancing the town's built environment	
Financial sustainability	There will be an ongoing financial cost to this
For example:	service. The rationale is that this is a known,
 Funding provided by other parties 	fixed cost, rather than a potentially greater
Return on investment within defined period	cost, reflecting recent employee relations issues
 Proposal is self-sustaining within defined 	that have required advice and outlay.
period period	
·	
Business and vibrant local economy	N/A
For example:	
Promotes tourism	
Improves footfall for retailers	
Promotes a sustainable and balanced local	
economy	
<u>'</u>	

7. Risk assessment

Financial Does the proposal require the Town Council to take any financial risks, for example by investing in a new facility, taking out a loan or underwriting a cost incurred by a third party?	No, this will be an ongoing operational cost — it will be partly off-set by a reduction in premiums, and will protect against future unknown legal costs arising from employee relations issues.
Regulatory Would the Town Council be acting outside of its powers or could it find itself in breach of any regulations in accepting this proposal?	No – quite the opposite, this will significantly aid compliance.
Health and Safety Are there any additional Health and Safety considerations for the Town Council arising from this proposal (for example additional Risk Assessments, facilities)?	No – quite the opposite, this will significantly aid compliance.

H.R. & Employment Law and Health & Safety

The Leader of the Council and I interviewed three companies for H.R. support with Employment Law and Health and Safety Advice. Most of the companies have software available for staff to gain access to the Green Book Terms and Conditions and supporting policies. Any changes are automatically up-dated. They can provide a staff handbook and policies. They can provide Handbooks for staff on Health & Safety. Existing employment contracts can be checked that they are up to date. These companies also offer e-learning covering a huge range of topics, e.g. from Asbestos Awareness to Lone Working for Managers.

	Duration	Cost per month	Cost per annum	Added benefits
Company A	60 months	£358 HR &Law	£4,296	Webinar training available.
Company B	36 months	£331.25	£3,975 + £7.93 per employee insurance x 14 = £111.02 £4,086.02	Site licence to give access to e-learning for training. Free in first year but subsequent years will cost an additional £625 per annum
Company C	36 months	£210	£2,520+ £1,500 = £4,020	5 sites fire risks with annual reviews @ £25 each = £125 per month = £1,500 per year. 800 to 900 risk and COSHH assessments available. 1,140 documents on Atlas.

Recommendation:

The Leader of the Council and I recommend Company 'C' at an annual cost of £4,020 per year to help our Council be up to date with Health and Safety and ISO and current HR and Employment Law, so that everything is in place for a growing town council. Our existing HR advice is not efficient enough for our needs and takes too long and is very expensive.
