4. Request to Wiltshire Council's CATG (Community Area Transport Group)

• Consider implementing a permanent 'no entry' at the top of Whitehill and examine mitigation measures for some residences where this might raise access issues;
• Consider design and implementation of a 'no right turn' at the Market Street end of Newtown, subject to the views of residents;
• Agree to add additional advisory signage to support pedestrians wishing to socially distance on town centre pavements, should a decision be taken by Wiltshire Council to remove the social distancing scheme once the legal requirement to distance has been removed.
• Reiterates its commitment to holding a consultation in the autumn on a future scheme to improve pedestrian safety, vehicle flow and air quality, and to reduce traffic volume.

5. Neighbourhood Plan Working Group
