

Environment and Green Spaces committee meeting 21 January 2025

Agenda item 9 – Wild River Festival/Great Big Green Week – Update

Written by Councillor Alex Kay

Proposed Eco-Fair with focus on celebration and information about biodiversity in and near our River. A community event to be arranged by Town Council with support from community groups and councillors as available.

A high impact but fairly low-cost event, with the benefit of Town Council experience, and risk assessment for similar.

Plans need to be in place before May (election) to ensure advertising, stalls and attendees in place

Saturday 10am-3pm (to be confirmed) 7th June 2025, Westbury House Gardens.
