Management Plan

Dear Bradford-on-Avon Town Council,

Becky Addy Wood – Woodland Management Plan

As per the appointment by Bradford-on-Avon Town Council in May 2025, Johns Associates Ltd and Duramen Consulting Ltd have prepared an independent Woodland Management Plan (WMP) for Becky Addy Wood.

Both firms collaborated on the recommendations within the WMP, which aims to restore the woodland to promote both a biodiverse and safe environment.

The Quantified Tree Risk Assessment (QTRA) report was produced independently by Duramen Consulting Ltd, which provides a detailed tree safety survey and risk assessment for the woodland.

We therefore confirm that the attached WMP document is an independent report and recommend its implementation in full at Becky Addy Wood.
