

Bradford on Avon Wins Gold at South West In Bloom!

We're delighted to announce that **Bradford on Avon has achieved a Gold Award** at this year's **South West In Bloom** competition.

South West In Bloom is part of the wider **Britain in Bloom** programme run by the **Royal Horticultural Society**, which encourages communities to improve their local environments through horticulture, environmental responsibility and community participation.

In July, **Camilla Bassett-Smith**, who judged the town's entries, explored the incredible range of projects and community groups that help make Bradford on Avon so special.

During her visit she visited not only the town council's green spaces but a whole host of In Your Neighbourhood entries including:

- Clean up Bradford
- Wiltshire Heights
- Railway Station Volunteers
- BOA Secret Gardens
- Christ Church Primary School
- Holy Trinity Church
- Christ Church
- Nature Volunteers
- The Three Horseshoes.

Since 2022, we've taken over the management of many of the town's premier green spaces, and we're proud to highlight both the work we've done and the efforts of the countless volunteers who help Bradford on Avon bloom.

We are extremely grateful to all the **volunteers, residents, and businesses** who make our town such an attractive place to live, work and visit.

The In Your Neighbourhood entries results are:

- Clean up Bradford – Level 3 (Advancing)
- Railway Station Volunteers – Level 4 (Thriving)

Agenda item 15 – South West in Bloom – Press Release

- Secret Gardens – Level 5 (Outstanding)
- Three Horseshoes Garden – Level 4 (Thriving)
- Holy Trinity Church – Level 4 (Thriving)
- Nature Volunteers – Level 3 (Advancing)
- Christchurch (Discover Christ Church) – Level 5 (Outstanding)
- Christ Church Primary School – Level 5 (Outstanding).

We're delighted to announce that the town has been awarded **Gold** in this year's South West in Bloom competition.

A huge thank you to all the volunteers, residents and community groups whose hard work helps BOA bloom year after year — full details about the competition and the results of the In Your Neighbourhood entries on our website.
