

Bradford on Avon Fairtrade Newsletter November 2025

'Do it Fair'

Bradford on Avon is a Fairtrade community. We promote Fairtrade products, available at Christine's, the CoOps, Sainsburys and others. Help get a fair deal for the international growers of foods we want and need!

Choose Fairtrade.

The BoA, Fairtrade team participated in several community events, where we promoted and celebrated Fairtrade and climate justice around the Fairtrade Fortnight, officially 22 September to 5 October.

These included: information table at the Repair Cafe, 26th Sept; Stall at town market, 2nd Oct, with display of Fairtrade products; Fairtrade and biodiversity Craft and Chat afternoon, with Fairtrade products, quiz and colouring pages, at Christchurch with Primary school Year 6 and older people with carers; Fairtrade contributions to Wiltshire Heights' International Food Day event and collection for the local Hub; we also participated in a Sustainable Food event at local restaurant Sweetpea Kitchens at the Weaving Shed.

We hope to renew our Fairtrade community status in 2026.
