

### **LHFIG requests in progress**

Wine Street – Cabinet member decision to proceed has been made and published. Worked scheduled for 2026/27. £3250 contribution from the town council previously agreed.

Winsley Road - improvements to pedestrian crossing (between Downs View and Grove Leaze). - Overall approval and traffic engineers to progress.

Sladesbrook reduction in speed limit – This is being progressed to TRO (traffic regulation order). £3,000 contribution from the town council previously agreed to support this reduction.

Budbury Close Steps – the Rights of Way team have reviewed newly supplied historic records and transfer of the footpath to Wiltshire Council did take place. The footpath is part of the adopted maintainable highway. LHFIG can therefore support this request.

It is estimated a new handrail and markings to highlight the steps will cost £3000. The town council have previously agreed to support the project.

**Recommendation: Town Council to agree match funding of £1,500** (overall cost £3000, a 50/50 split with LHFIG).
